

Announcement from the Fujimi City and
Fujimi City Town Chairmen's Federation.

Join the neighborhood association With us all!!

The neighborhood association engages in voluntary activities such as following aimed at fostering a fulfilling life and pleasant community through discussions among community residents, helping each other, and deepening interactions.

★We will promote town planning for safety and security, preparing for unforeseen circumstances.

For example, disaster preparedness drills, voluntary crime prevention patrols, management of security lights, and activities to watch over children during their journeys to and from school, and among others.

★We will work to enhance the living environment across the community.

For example, activities such as resource recycling, community beautification efforts, and maintenance of flowerbeds in parks.

★We will promote and deepen cross-generational interaction and fellowship.

For example, community festivals, district sports events, respect-for-the-aged gatherings, senior citizen salons, and activities for healthy upbringing of youth.

★We will provide various types of information to the community.

★We will cooperate in various fundraising activities.

To join the neighborhood association, please apply to the neighborhood association officers.
